

Club Mission and Vision, as stated in our Bylaws

Mission: The purposes of this organization shall be to encourage and promote member interest in all phases of photography; and to encourage active participation in the education of fellow members through sharing of skills and experiences; to hold contests and present awards; and to promote the photographic efforts of the membership through exhibitions and displays in the local area, when practical.

Vision: The Coastal Camera Club is a respected professional organization that has a reputation as a fine arts organization. We have fun while sharing our knowledge of photography.
